Second Essay Assignment

Choose one of the following doctrines and write a essay in which you critically compare the two authors’ positions:

Doctrine of God – Cobb and Cunningham
Creation and Providence – McFague and Tanner
Doctrine of the Human — Jones and Williamson

I will expect to see a thesis that in some sense addresses whose position is the stronger. The body of the paper should address the reasons why you hold one to have a stronger position than the other. Don’t just summarize what each author says.

Your essay should be approximately 1250 words (please include a word count at the end of the text) and should conform to the style presented in *The MLA Handbook* and be typed double-spaced. (See the handout “Writing Critical Essays” for further information on writing this paper.) It is due at the beginning of class on Monday, March 17, at 10:00 a.m., but will be accepted without penalty up until 10:00 a.m., Wednesday, March 19. *Papers submitted after 10:00 a.m. on Wednesday, March 19, will be penalized a letter grade per day, which includes any fraction of a day, that the paper is late.*

Please include a sentence outline at the end of your paper. Also, please place your name on a separate cover sheet and do not use your name in a running header. (Note: this is different from the MLA style requirements.) I don’t want to know whose paper I’m reading as I evaluate it.
